INDEPENDENT AUDITOR'S REPORT

December 14, 2023

Board of Trustees
Tahlequah Regional Development Authority

Opinion

We have audited the accompanying financial statements of the Tahlequah Regional Development Authority as of and for the year ended June 30, 2023, and the related notes to the financial statements, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tahlequah Regional Development Authority, as of and of the year ended June 30, 2023, and the changes in its financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standard generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including and currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Management has omitted Management's Discussion & Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Government Accounting Standards board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Other Reporting Required by Governmental Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 14, 2023, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Tahlequah Regional Development Authority's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

December 14, 2023

Board of Directors
Tahlequah Regional Development Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Tahlequah Regional Development Authority, as of and for the year ended June 30, 2023, and related notes to the financial statements, which collectively comprise the basic financial statements, and have issued our report thereon dated December 14, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Authority's internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for other purposes.

Tahlequah Regional Development Authority
Notes to Financial Statements
June 30, 2023

Note 1: Description of Reporting Entity and Summary of Significant Accounting Policies

Reporting Entity

The Tahlequah Regional Development Authority (the Authority), formerly Tahlequah Industrial Authority, is a public trust created on September 8, 1981, under the provisions of Title 60, Oklahoma Statutes, the Oklahoma Trust Act, and other applicable laws and statutes of the State of Oklahoma. The City of Tahlequah, Oklahoma, is the beneficiary, and will receive all residual trust funds and assets upon termination of the trust.

The general purposes of the Authority are to assist the Beneficiary, the State of Oklahoma, its governmental agencies, and the private entities, agencies and citizens in making the most efficient use of all of their economic resources and powers in accordance with the needs and benefits of the Beneficiary in order to:

- Lessen the burdens on government and to stimulate economic growth and development
- Inventory the services, facilities and resources of the entire Beneficiary City
- Promote, stimulate, encourage and finance the growth and development of the agriculture, commerce and industry of the Beneficiary City as a whole, all in order to achieve maximum utilization of the Beneficiary's human, economic and natural resources and tourist attractions
- Foster and promote an industrial climate and the payroll of the Beneficiary City, to otherwise promote its general economic welfare, prosperity, and to finance any and all programs, facilities or resources promoting or intending to promote any of the foregoing.

The Authority is considered a component unit of the City of Tahlequah, and its financial information is included in the General Purpose Financial Statements of the City of Tahlequah each year.

The Board of Trustees are citizens and residents of the Beneficiary appointed by the Mayor and confirmed by a majority vote of the City Council of the City of Tahlequah. All Trustees must reside within the Beneficiary City.

Proprietary Fund Accounting

The Authority uses the proprietary fund method of accounting whereby revenues and expenses are recognized on the accrual basis. The governing body has decided the periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Accounting Standards

Pursuant to Governmental Accounting Standards Board (GASB) Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*, the Authority has elected to apply the provisions of all relevant pronouncements of the Financial Accounting Standards Board (FASB), including those issued after November 30, 1989, that do not conflict with or contradict GASB pronouncements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the

Tahlequah Regional Development Authority
Notes to Financial Statements
June 30, 2023

United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risk Management

The Authority is exposed to various risks of loss from torts; theft of, damage to, and destruction of assets, business interruption; errors and omissions, employee injuries and illnesses, and natural disasters. To cover exposure of these risks, the Authority is listed as an additional named plan member on the City of Tahlequah's municipal liability protection plan. The Authority does not carry insurance separately under its own name. Settled claims have not exceeded this commercial coverage in any of the two preceding years.

Cash Equivalents

The Authority considers all liquid investments which have original maturities of three months or less to be cash equivalents.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable assets and is computed using the straight line method. The range of such useful live are as follows:

Land Improvements	25 years
Equipment/Signs	10 years
Buildings	50 years

Income Taxes

The Authority is exempt from federal income taxes under Section 115 of the Internal Revenue Code as a political subdivision of the State of Oklahoma and is exempt from state income taxes under a similar provision of Oklahoma State Statutes.

Note 2: Cash and Investments

The Authority operated one commercial checking account at the Bank of Cherokee County. The checking account pays a variable rate of interest. Interest earned on the account is automatically credited to the account at the end of the month. As of June 30, 2023, the bank balance was \$422,288.

Deposits

The Authority's cash deposits as of June 30, 2023, are categorized to give an indication of the level of risk assumed by the Authority at year end as follows:

Deposit Categories of Credit Risk

- A. Insured through FDIC Insurance in the Authority's name.

Tahlequah Regional Development Authority

TOTAL	\$ 250,000	\$ 172,288	\$ -	\$ 422,288	\$ 422,288	\$ 422,288

Note 3: Fixed Assets

The Authority had property, plant and equipment as of June 30, 2023, as follows:

		<u>Beginning Balance</u>		<u>Additions</u>	<u>Deductions</u>	<u>Ending Balance</u>
Land	\$	158,979	\$	-	\$ 5,867	\$ 153,112
Buildings	\$	1,512,445	\$	-	\$ -	\$ 1,512,445

Net Book Value	\$	960,534	\$	(42,547)	\$ 5,867	\$ 912,119

In accordance with the Depreciation of Fixed Assets Policy adopted by the Authority, buildings are being depreciated over a 50 year life span. The parking, paving, asphalt and infrastructure are being depreciated over 25 years. The addition of equipment and signs will be depreciated over 10 years.

Note 4: Industrial Park

The Authority owns and operates an industrial park west of the City of Tahlequah with entrances on Highway 51 and West Allen Road. The following entities are located there:

Northeastern Oklahoma Public Facilities Authority- On February 6, 1995 an agreement was made between the Authority and NOPFA to transfer 3.7 acres of land into NOPFA's name. NOPFA was to construct a warehouse facility on the property deeded to them within three years. The transfer by deed was to take place upon finalization of the park plat. The deed was signed on November 15, 2000 and filed on December 7, 2000 and contains a revisionary clause that should the property cease to be used for NOPFA warehouse facility purposes in the future that the land shall revert to the grantor.

Indian Capitol Vo-Tech School - On February 6, 1995, a deed was signed from the Authority to the Vo-Tech School deeding them approximately 50 acres of land situated in the Industrial Park. The deed specified that construction of a school was to begin within 10 years, and has a reversion clause specifying that if the property should cease to be used for Vo-Tech purposes in the future, the land shall revert to the grantor.

Tahlequah Regional Development Authority
Notes to Financial Statements
June 30, 2023

The Vo-Tech facility has been constructed and has been placed in use.

State Department of Central Services - (On behalf of the Oklahoma State Bureau of Investigation) On April 24, 1997 a lease agreement was made for a 4.7 acre site. The lease term is for 99 years beginning January 30, 1997 and ending January 30, 2096. The rental of \$5.00 per year or a total of \$495.00 for the entire term was paid on the date of the lease agreement. A building housing the OSBI local division has been built on the site.

Everise. On October 17, 2018 a lease agreement was signed between Everise (formerly C3/Customer Contact Channels, Inc.) and the Tahlequah Regional Development Authority lease payments of \$6,875 due monthly starting on November 1st 2018 and ending February 28, 2023.

Consolidated Communications - The Authority entered into a commercial lease on 12/01/2013 with Consolidated Communications, an Oklahoma limited liability Company 100% owned by Rural Broadband Services to lease five (5) Acres south of the -OSBI Building located at 1995 Airport Parkway, Tahlequah, OK 74464. The lease requires that the tenant pay to the Authority annual installments of \$0.00 in years 1-2; \$18,000 in years 3-5; \$20,400 in years 6-10; \$24,000 in years 11-15, \$26,400 in years 16-20 and \$30,600 in years 21-25. RBSC is now operating as Consolidated Communications.

Note 5: Concentration of Risk

The Authority's main sources of revenues are rental income received from C3/Customer Contact Channels, Inc. and from Consolidated Communications. These sources of income appear adequate to provide for current needs.

Note 6: Employee Benefits

The Authority does not have any formal employees. All staff are employed by the Tahlequah Area Chamber of Commerce and are paid by the Tahlequah Regional Development Authority through a shared services agreement between the Tahlequah Area Chamber of Commerce and Tahlequah Regional Development Authority.

Note 7: Commitments and Contingencies

The Authority has sufficient insurance coverage and/or tort immunity in effect to protect the Authority from any material loss or liability due to pending claims or litigation. Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability. The amount, if any of expenditures which may be disallowed by the granter cannot be determined at this time, although the Authority expects such amounts if any, to be immaterial.

Note 8: Subsequent Events

Subsequent events have been evaluated through the date of the Auditor's report which is the date the financial statements were available to be issued.
